Equal Opportunity Policy Statement

Greif Incorporated is firmly committed to Equal Employment Opportunity (EEO) and to compliance with all Federal, State and local laws that prohibit employment discrimination on the basis of age, race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability, protected veteran status and other protected classifications. This policy applies to all employment decisions including, but not limited to, recruiting, hiring, training, promotions, pay practices, benefits, disciplinary actions and terminations.

As a government contractor, Greif Incorporated is also committed to taking affirmative action to hire and advance minorities and women as well as qualified individuals with disabilities and covered veterans.

We invite employees who are disabled or protected veterans and who wish to be included under our Affirmative Action Program to self-identify as such with the EEO Coordinator. This self-identification is strictly voluntary and confidential and will not result in retaliation of any sort.

Employees of and applicants to Greif Incorporated will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have engaged or may engage in filing a complaint, assisting in a review, investigation, or hearing or have otherwise sought to obtain their legal rights related to any Federal, State, or local law regarding EEO for qualified individuals with disabilities or qualified protected veterans.

As CEO and President of Greif Incorporated, I am committed to the principles of Affirmative Action and Equal Employment Opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the company, I have selected Tracy Parsons as the EEO Coordinator for Greif Incorporated. One of the EEO Coordinator's duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of company's programs.

In furtherance of Greif Incorporated's policy regarding Affirmative Action and Equal Employment Opportunity, Greif Incorporated has developed a written Affirmative Action Program which sets forth the policies, practices and procedures which the company is committed to applying in order to ensure that its policy of non-discrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished. This Affirmative Action Program for qualified individuals with disabilities and qualified protected veterans is available for inspection by any employee or applicant for employment upon request, between 9:00am and 3:00pm at the Human Resources department. Any questions should be directed to me, your supervisor, or Tracy Parsons, EEO Coordinator.
