

GCUBE[®] IBC Plastic Pallet

One of the Strongest in the Market

Combines a strong cage in the market with a concept which is flexible yet rigid.

PACKAGING SUCCESS TOGETHER

www.greif.com

GCUBE® IBC-Plastic Pallet Features

- ✓ 6" (150 mm) and 9" (225 mm) openings available with all types of ventilation.
- ✓ Suitable for dip-tube and agitator.
- ✓ 2" and 3" valves with over-coated HDPE layer which ensures that only one material comes in contact with filled products.
- ✓ The perfect solution for automated warehouses.
- ✓ Designed with anti-slip inserts to increase safety on forklifts and during transport.

Performance & Value

One of the strongest cages in the market, supported by a plastic pallet, provides for minor deflection in racks and better resistance to collision at low temperatures.

One Solution for All Your Products

GCUBE® offers a patented valve solution for products compatible with HDPE.

Cleanliness for the Food Industry

The plastic pallet offers the cleanliness required by the food industry.
