Payoffpak[®]

Payoffpak[®] Pays Off Big When It Comes to Packaging and Dispensing Wire or Tubing Products

As the world's leading producer of industrial packaging products, Greif brings a reputation for quality and performance to the fibre drum market. All Greif fibre drum products have undergone rigorous lab and field testing. Greif is also committed to providing the best customer service in the industry. Responsive technical assistance and short lead times on product delivery are hallmarks of Greif.

GREIF[®]

PACKAGING SUCCESS TOGETHER

www.greif.com

Engineered for Wire and Fine Tubing

OVERVIEW

- ✓ Makes packaging and dispensing wire or tubing easier, while protecting product quality.
- ✓ Features a center winding core that allows continuous feed.
- ✓ Provides a loose coil between the drum core and sidewall.
- ✓ Eliminates unnecessary tension on the wire or tubing.
- ✓ Can accommodate labels, silk-screens and paint.
- ✓ Cover and bottom design facilitate stacking.
- ✓ Available in an all-fibre construction.
- ✓ Suitable for: low and high carbon wire, magnetic or plastic-coated wire, copper and bronze welding wire, and small-diameter tubing.

Payoffpak's® key features and benefits: center winding core, rugged construction, smooth surfaces, tamper-evident seals, stackable, keeps product dry and easy to label.
