Tailored Solutions for Various Industries

From lubricant to chemicals, flavours and fragrances, coatings, pharma, food, etc., find the optimal packaging requirements for your industry.

A Light-Weight 60 Litre (16 Gallon) Drum Designed for the Lubricant Market

Greif has developed a light-weight version of the standard 60 litre (16 gallon) drum in .5 mm all around (5/5/5) to optimise costs and reduce CO₂ impact of this package. Also available in 6/5/6 and 6/6/6.

Customised Decorations Options Available

Intended to maximise design appeal and brand exposure.
