IBC

GCUBE® IBC Wooden Pallet

One of the Strongest in the Market

The ideal choice for one-way shipments due to the strong cage and a universally compatible valve.

GCUBE® IBC–Wooden Pallet Features

- 6" (150 mm) and 9" (225 mm) openings available with all types of ventilation.
- Suitable for dip-tube and agitator.
- 2" and 3" valves with over-coated HDPE layer which ensures that only one material comes in contact with filled products.
- GCUBE® Wooden Pallet is also available with antistatic for EX zones (GCUBE® Elektron).
- Lower version suitable for full utilization of ISO container space.

Performance & Value

One of the strongest cages in the market, supported by a wooden pallet, provides minor deformation of IBCs in the sea containers.

One Solution for All Your Products

GCUBE® offers a patented valve solution for products compatible with HDPE.

Durable for Shipping & Unloading

GCUBE® with a wooden pallet is perfect for overseas shipments in an ISO container. The minor deformation will ensure your product arrives safely and allows for easy unloading from the containers.
