# Modcan | Modular Jerrycan Containment System

*Enhances waste management efficiency by optimizing space utilization and ensuring safer handling of hazardous materials.*

## OVERVIEW

- ✓ **Enhanced Safety for Hazardous Waste Handling** | Minimizes employee exposure to hazardous materials by reducing the need for transferring waste from smaller containers into large drums.
- ✓ **Superior Space Utilization and Reduced Disposal Costs** | Optimize space utilization within 55-gallon drums from **36% to 82%**, reducing the number of shipments and cutting waste management costs significantly
- ✓ **Multi-Product Waste Containment** | Allows for the separation and containment of multiple waste products within a single drum.
- ✓ **Versatility and Compatibility** | Compatible with Greif 55-gallon steel, plastic, and fiber drums, making it suitable for specialty manufacturing, laboratories, and pharmaceuticals

## SIZING OPTIONS

- ✓ Available in 3.75-gallon and 1.75-gallon sizing
  - ✓ 3.75-gallon products fits 6 containers in 2 stackable layers
  - ✓ 1.75-gallon products fits 6 containers in 4 stackable layers
- ✓ Capability to arrange containers of various sizes within a single drum, allowing for multiple configuration options

**COMPATIBLE WITH ALL GREIF 55-GALLON DRUMS**

## FEATURES

- ✓ Angled neck and heel
- ✓ Uses 70 mm Tri-Sure Plasticap Closure
- ✓ Headspace in the drum made available for additional tooling and accessories
- ✓ Ergonomic top handle for ease when handling
